Ki Futures

Culture in Action

EUROPEAN THEATRE CONVENTION

Ki Futures
Vision & Goals

Ki Futures empowers organizations and individuals who want to embed sustainability in their practice and inspire their communities.

We envision a world where culture is a leader for sustainability, setting an example and connecting locally and globally, inspiring action within our sector, engaging and enabling our visitors, our communities, and the general public to work together for a sustainable future.

Ki Futures Program Goals

- Supporting the creation of policies and actions that help **reduce our carbon footprint**
- Working together towards **decolonizing** our institutions and practices
- Creating **inclusive**, **accessible spaces** and diversifying audiences and interactions
- Incorporating **ALL voices** in our performances and programs
- Working toward sector-wide **circular solutions and implementation**

Ki Futures Program Pyramid

Ki Champions

- Ki Champions are people eager to foster a sustainable shift in the cultural sector
- Institutions or organizations may have teams of Champions working together
- The Ki Futures program supports Champions to drive change in their organizations and form a global community to become leaders in culture and beyond

Ki Port

Ki Port

The Ki Port is our online hub - connecting **Ki Champions**, **Ki Coaches,** and **participating institutions** from all over the world and providing support material for your sustainability journey

- **Messenger and Forum** to connect and chat with your Ki Coach and other Ki Champions from all over the world

- **Events** calendar and registration

- **Ki Trainings** videos and presentations

- **Ki Reports** uploaded by Ki Champions to streamline sharing of best practices
  - Submit area for your own Ki Reports to earn badges

- **Ki Toolkit** a series of guides and resources to assist in your sustainability communication and success

Custom guides and resources for your success

- Introduction to Ki Futures
- Sustainability in Conversation: How to communicate what you are doing to your peers and colleagues
- PR & Engagement Kit: How to communicate your success to the outside world
- Let’s Talk about Climate: A guide to communicating about climate change
- Forming Your Team: A guide on how to create a Ki Futures Team at work
- Ki Signage and Posters

Trainings & Workshops

Ki Trainings

- The training program offers deep dives into sustainability themes, combining theoretical insights and practical applications
- Participants engage with sustainable theory and learn to apply critical thinking skills to incorporate these concepts into specific areas of their work
- Trainings are offered as live, interactive sessions and recordings and presentations are available on the Ki Port
- Two trainings are offered every month - one Core Course and one Deep Dive

Core Trainings based on Ki Books Themes:

- Introduction to Sustainability for Culture
- Waste & Materials
- Social Sustainability
- Energy

Deep Dive Trainings ETC Pilot:

- Sustainable Set Design
- Sustainable Productions
- Sustainable Messaging: Audience Engagement and How to Effectively Communicate Your Sustainability Initiatives

**Deep dive training courses are subject to change.*

Workshops

- Moderated peer-to-peer learning sessions
- Held monthly
- Based on Ki Book Themes
- Choose one theme or join all
- Join with Ki Futures colleagues from other sectors
- Present your questions and co-create solutions

Waste & Materials
Energy
Social Sustainability

- Your personal link to Ki Culture

Ki Futures for Theater

ETC Goals

“We, theatres in Europe, are committed to measure, understand, reduce and offset our carbon footprint through information, mobilization and legislation on European level."

- Climate Neutral by 2050
- Working together towards aligning actions to support the EU Green Deal and the UN Sustainable Development Goals
- Support theatres in taking action in alignment with the ETC Sustainable Action Code
- Focus on sustainable processes in theatre organizations, sustainable theatre buildings, and sustainable theatre productions

Learn more at www.kiculture.org or contact us at kifutures@kuclture.org

ETC Pilot

The Ki Futures Pilot Program for ETC will test the program for the context of theaters
