

ETC Roadshow 2020/2021

The ETC Roadshow facilitates the international promotion and representation of ETC Member Theatres and their theatre productions in key sector events in Europe and beyond, as well as the digital promotion of performances available for touring.

The ETC Roadshow Programme is part of "ENGAGE - Empowering today's audiences through challenging theatre", co-funded by the Creative Europe Programme of the European Union.

Translation & Subtitling Grants for ETC Members:

ETC awards grants (up to €400) to support the translation and/or subtitling of the promotion videos or part-/full-length recording of theatre productions available for touring at ETC Member theatres, in order to facilitate international artistic exchanges despite the current travel restrictions.

The videos can then be shared with other ETC members and featured on the ETC website.
