

Performance Exchange Programme 2020/2021

The Performance Exchange Programme is available to ETC Member Theatres wishing to invite a guest performance from another ETC Member Theatre. This artistic mobility gives a new and exciting cultural experience to the theatre audience and provides ETC Member Theatres with an interesting opportunity for personal and professional encounters. Touring performances will be showcased on ETC's website for further international promotion.

The Performance Exchange Programme is part of "ENGAGE - Empowering today's audiences through challenging theatre", co-funded by the Creative Europe Programme of the European Union.

Grants for ETC Members:

The grant consists of a contribution to travel costs of up to €2,000.

There are 5 grants available for ETC Member Theatres to present a production from a fellow ETC Member Theatre. While all applications are welcomed, we are particularly interested in performances which use digital innovation.

Grants are a contribution to travel costs and are awarded based on the decisions of the ETC Board. Applications are to be completed by the sending and receiving theatre together.

Applications are now open for the Performance Exchange Programme 2020/2021.

Please send the application form below via email to H el ene Gauthier: hgauthier@europeantheatre.eu.
