

ETC Roadshow 2019/2020

The ETC Roadshow facilitates the international promotion and representation of ETC Members Theatres in key sector events in Europe and beyond. The delegates of the Member Theatres not only have the opportunity to present their theatre's programme abroad and promote the ETC but also to meet with artists from the respective country and develop new connections.

The ETC Roadshow Programme is part of "ENGAGE - Empowering today's audiences through challenging theatre", co-funded by the Creative Europe Programme of the European Union.

Grants for ETC Members:

Grants are offered on a first come, first served basis to ETC Member Theatres. One grant is offered per theatre, per season, of up to €500 maximum. These travel grants can be used to visit another ETC Member Theatre, theatres around Europe which may be interested in the work of ETC or to sector events/festivals in order to advocate for your theatre and the ETC. Theatres participating in the ETC Roadshow are asked to complete a short evaluation report following the visit.
